

ROUGHCLICK — LOGO 8 MASTER VARIATIONS

Pure White Background | Selected Mark 8 Refinements | "Ideas in Motion"

Selected Base Mark: Logo 8 (Solid Interlock RC + Central Bracket Node)	Tagline: "Ideas in Motion"
Background Canvas: 100% Pure Clean White (#FFFFFF)	Color Focus: Onyx Black (#0F172A) + Emerald Green (#059669)

	
VARIATION 8A: Master Code-Bracket (Pure White) Solid Onyx Black RC interlock with sharp negative-space < > coding brackets and Emerald Green central node on a crisp white background.	VARIATION 8B: Precision Aperture Node (Studio & Media Focus) Features an Emerald Green camera shutter/lens aperture ring at the center of the RC junction, connecting Digital web engineering with Studio cinematography.
	VARIATION 8C: Kinetic Speed-Chevron (Motion & Velocity) Features a dynamic 15° forward italic stance with an energetic Emerald speed chevron cutting through the junction, emphasizing 'Ideas in Motion' on pure white. Key Advantages: • Maximum sense of forward speed and action. • High contrast and perfect legibility on white corporate stationery. • Highly recognizable at 32x32px website favicon size.

ROUGHCLICK — LOGO 8 REFINEMENTS (PURE WHITE)
