

ROUGHCLICK — CODING & WEB MASTER LOGOS

Phase 2: Embedded Coding Details & Website Metaphors | Tagline: "Ideas in Motion"

Approved Master Brand: ROUGHCLICK	Approved Master Tagline: "Ideas in Motion"
Domain Equity: roughclick.com (100% Owned)	Core Focus: Embedded Coding Brackets, Slashing & Cursor Metaphors

1. Master Logo Proposals (Clean Embedded Coding & Web Metaphors)

Concept A: <R / C> Code Tag [REACT & HTML SYNTAX]	Concept B: Interlock Bracket Node [NEGATIVE SPACE < >]	Concept C: Terminal & Click Arrow [TERMINAL > + CURSOR]
		
• Hidden Code Detail: Features open tag <, closing slash /, and close tag >. • Meaning: Direct representation of React component & HTML code. • Color: Electric Cyan & Deep Charcoal.	• Hidden Code Detail: Interlocking negative space naturally forms code brackets < >. • Meaning: Seamless backend-to-frontend engineering. • Color: Cyber Lime & Obsidian Black.	• Hidden Code Detail: Incorporates a coding terminal prompt > and an interactive mouse click arrow. • Meaning: Terminal execution & interactive web clicks. • Color: Cyber Violet & Royal Blue.

2. Future Sub-Brand Scalability (DIGITAL, STUDIO, CREATIVE, RCLK)

Each concept features explicit coding and digital interaction details that directly empower **ROUGHCLICK DIGITAL** (Web Development) and **RCLK** (SaaS Tools), while maintaining high-end master brand elegance across **ROUGHCLICK STUDIO** (Photo/Video) and **ROUGHCLICK CREATIVE** (Branding).
