2. Why Deep Midnight Navy Outperforms Plain Black

- **Executive Prestige:** Deep Midnight Navy (#0A192F) conveys corporate trust, high-end engineering, and security (used by Intel, Stripe, Docker, IBM).
- **Visual Warmth & Depth:** Unlike harsh 100% black, Midnight Navy allows bright neon and cyan accent highlights to pop with rich contrast.
- **Sub-Brand Adaptability:** Provides a cohesive umbrella foundation across **ROUGHCLICK DIGITAL**, **STUDIO**, **CREATIVE**, and **RCLK**.
